-

SOMEONE ELSE'S SHOES

- Augmented Reality Experience
- Volumetric Video
- Photogrammetry
- Real time CG
- Physical Installation
- Downloadable app

WHY?

- The issue of working homeless is significant and needs to be talked about
 - 48% percent of the homeless in Oakland have paying jobs
 - Many have two jobs but that might only add up \$2700 after tax
 - The average rent on an apartment in Oakland is \$2,527
 - Albany, CA a one square mile well to do suburb of San Francisco has over 70 people living out of their cars

WHY volumetric video?

- Grounded in reality
- Human scale
- Human connection
- Avoid the CG uncanny valley
- Short schedule
